

Firewise Steps to Recognition

5 Steps

- 1** Obtain a wildfire risk assessment
- 2** Form a committee and create an action plan
Determine several projects that could be done by the community ie: an educational event, a slash chipping service, community clean-up day, neighbors helping elderly residents with mitigation work. DOCUMENT HOURS
- 3** Conduct a Firewise Day event
Can be held in conjunction with another event
- 4** Invest a minimum of \$2 per capita in local firewise actions for the year
A firewise committee member can create a simple spreadsheet documenting hours at community events, and individual firewise projects from community members
- 5** Fill out and submit application
